

Lower North Island

A hanging basket for your potted plant Use indoors or out. Simple to use and adjustable.

Hangsacks

1 - Spread your HANGSACK™

2 - Centre your new plant

3 - Lift the cords carefully to your locating hook and adjust the knots to give you your desired height.

Say 'No' to Repotting. Say 'No' to Ugly Saucers.

Simply replace each plant after its flowering season. It's easy with **HANGSACKS™**. **HANGSACKS** are waterproof and so are able to catch any drips.

HANGSACKS™ are made from a synthetic material and are waterproof, fade resistance and won't rot. No more watering the carpet or deck if you over water.

Hanging baskets, potted colour, ... good plants are **GREAT** in **HANGSACKS™**
